2015 Maryland Animal Health Fair and Show Requirements

Are your show animals in compliance with the Maryland Animal Health Fair and Show Requirements? New requirements are in place for poultry this year to help prevent the spread of highly contagious avian influenza. Visit <http://mda.maryland.gov/Documents/MDAfairshowpolicyrev5.8.15.pdf> or call your local extension agent for more information.

MDA Prohibits Poultry Exhibition at Fairs/Shows after August 25th

To do everything possible to mitigate the risk of High Path Avian Influenza (HPAI) from infecting Maryland poultry flocks, the Maryland Department of Agriculture (MDA) will prohibit poultry exhibitions at all fairs and shows after Aug. 25. MDA has also issued

a quarantine order requiring all hatching eggs and poultry entering from out of state to be tested within 10 days or come from certified clean sources. This quarantine order will remain in effect until at least June 30, 2016. For more information visit: www.mda.maryland.gov/AvianFlu

Farm to Fork: Second Annual Event, Finksburg Library

There will be activities for all ages: Learn about farming and community supported agriculture, Sample regional microbrews, Meet farmers and gardeners, Meet farm animals, and much more. Visit their Facebook page for more information: <https://www.facebook.com/FinksburgLibrary?fref=ts>

Ag Progress Days: August 18th-20th

Ag Progress Days will run August 18-20 at the Russell E. Larson Agricultural Research Center. The event features the latest in agricultural technology and research, education programs, and guided tours. There are more than 400 exhibitors and 80+ acres of crops/machinery demos and 55 acres of indoor and outdoor exhibits. For more information visit: <http://agsci.psu.edu/apd>

Enrollment Period Open for 2016 Dairy Margin Protection Program (MPP) July 1st-September 30th

Eligible producers may now visit their FSA to enroll in the 2016 MPP program. The voluntary program, established by the 2014 Farm Bill, provides financial assistance to participating dairy operations when the margin – the difference between the price of milk and feed costs – falls below the coverage level selected by the farmer. The Margin Protection Program gives participating dairy producers the flexibility to select coverage levels best suited for their operation. Enrollment begins July 1 and ends on Sept. 30, 2015, for coverage in 2016. Participating farmers will remain in the program through 2018 and pay a \$100 administrative fee each year.

University of Maryland 2015 Crop Insurance Workshop September 10th

The 2015 Crop insurance Workshop will be held September 10th. Stayed tuned to this following website for updates on location, times, and registration: <http://extension.umd.edu/news/events/thu-2015-09-10-0000-2015-crop-insurance-workshop>

Mid-Atlantic Women in Agriculture Webinar: 8/26 Newsletters

We all get them, but do we read them? Create a compelling newsletter for your organization so that you gain new subscribers, get more readership from those subscribers and learn how to track what is most important to your clients. The webinar is free but registration is required. Register at: <http://www.eventbrite.com/e/wednesday-webinars-registration-11452674257>

Enrollment Period Open for ARC-PLC June 17th-September 30th

Eligible producers may now visit their local FSA to formally enroll in the Agriculture Risk Coverage (ARC) and Price Loss Coverage (PLC) programs for 2014 and 2015. The enrollment period begins June 17, 2015, and will end Sept. 30, 2015. Visit your or call your local FSA for more information.

Businesses Can Now Renew Pesticide Licenses, Permits, and Certificates Online

Businesses, public agencies and commercial applicators can now renew their pesticide licenses, permits or certificates online from any mobile or desktop device, 24 hours a day, through the Maryland Department of Agriculture (MDA) website. This online service also allows those renewing licenses to print their renewal certificates directly from a computer. Visit: <https://www.egov.maryland.gov/mda/pesticides> for renewals and database searches.

Producers Wanted for Carroll County Grown Program

Carroll County Grown is a program that encourages Carroll businesses and restaurants to source locally from Carroll County farms and producers.

We are seeking producers who would be interested in selling to local restaurants/businesses. Please email Diana Hare at dhare@carrollbiz.org if you are interested in participating.
