Poultry 101: Starting Your Small Flock- January 29th

Friday, Jan. 29, 2016: 3:30pm to 8:00pm, Baltimore County Ag Center.

Are you thinking about starting a small flock this spring but don't know where to begin? Look no further!

This workshop will introduce you to everything you need to know to successfully begin raising poultry. Topics will include zoning and legal restrictions on keeping poultry, housing needs, protection from predators, how and when to source chicks, brooding peeps, nutrition and feeding, dealing with manure, preventing disease, and regulation on the sale of poultry products. Registration is \$30 per person and includes a hot dinner. **Registration is required prior to January 18 and is limited to the first 30 registrants.** Register online or by calling the Harford County Extension Office and paying by check. For more information or to register over the phone, call 410-638-3255 or contact Sara BhaduriHauck at sbh@umd.edu. Visit <http://www.eventbrite.com/e/poultry-101-starting-your-small-flock-tickets-180419> to register online.

Carroll County Grown Website

We have recently launched our new Carroll County Grown, Agriculture Website. If you have a farm that sells any agricultural product to the public and are not listed on the websites GSI map for consumers please contact me via email with the following information: farm name, location, hours, contact information, products sold/produced, website, and any other information you would like included. We reserve the right to edit submissions for content. Thank you very much!

29th Annual Maryland Cattle Industry Convention, Hay and Pasture Conference and Trade Show: March 4th & 5th

This joint conference is designed for all individuals interested in livestock, hay, pastures and forages.

The educational activities cover practical and current issues that will help you produce better livestock, hay, pastures and other forages in the most efficient and cost effective manner possible. Whether you have just a few cows or a large herd, are a purebred or commercial

producer, are experienced or a novice, you will find value in the activities and interaction offered through this program. Registration due by January 19th. For program information and how to register visit <http://www.marylandcattle.org/> and click on 'Convention Details'. Or call 410-795-5309. Must register by February 19th

Potomac Edison Agricultural Incentives Program (Taneytown)

The Agriculture Incentives Program is available to Maryland commercial and industrial retail service customers of Potomac Edison. The Program offers incentives and information to encourage participants to install high-efficiency equipment. Flat-rate incentives are available for the following equipment categories:

Variable Frequency Drives on Dairy Vacuum Pumps
Automatic Milker Takeoffs
Dairy Scroll Compressors
High-Efficiency Ventilation Fans
High-Volume, Low-Speed Fans
Livestock Waterers
Pre-Approval Requirements

All applications received by the Program will require pre-approval before the purchase and installation of equipment. To qualify for incentives through this Program, equipment must have been purchased and installed after December 1, 2015, and after the receipt of a pre-approval email from the Program Administrator.

Incentives available from the Program are limited to the total equipment cost (excluding taxes). Only installation of new equipment is eligible for incentives under this Program.

For an application and further details, please visit the website at:
energysavemd-business.com/specialty-programs/agricultural.
